TO BE AN ARTIST IS TO BELIEVE IN LIFE

ART IS ANYTHING YOU CAN GET AWAY WITH

I look in your EYES and I want to SEE

The Possible's slow but in life by the imagination

DEAR ERINN THANKS FOR THIS GREAT IDEA

# Artist Trading Cards

Artist Trading Cards (ATCs) are miniature pieces of art that are traded around the world.

They are originals, small editions and, most importantly, self-produced. Anyone can produce them.

Artists **create, trade, and collect** art at organized “swap” events, either in person or online.

**Size** 2.5 x 3.5 inches or 64 x 89 mm  
(mandatory)

Sign and date the backs of your ATCs.  
Add location if desired.

# ATC Collaborations aka JAMS

3 Person JAM, The first person creates three (3) identical or similar "bases" or backgrounds.

They send all 3 bases to the second artist, where they add to all 3 bases the same or similar.

Once finished with their additions they send all 3 cards to a third artist. They will complete all 3 ATCs. The third person keeps one ATC and returns one ATC back to each person who collaborated on the JAM.

## ATC Collaborations aka JAMS

2 Person JAM, the first person creates two (2) identical or similar “bases” or backgrounds.

They send both cards to the second person for them to complete both cards the same or similar.

The second person keeps one completed ATC and sends the other ATC back to the person who created the base.
